### PUBLIC DEPARTMENT.

#### NOTIFICATION.

Ootacamund, April 10, 1927.

No. 152.—His Excellency the Governor in Council has heard with very deep regret of the death of Maharaja Sri Rao Sri Venkateswaraiah Ranga Rao Bahadur, M.S.M., O.S.M., of Bobbili and desires to place on record his high appreciation of the public services rendered by the late Maharaja.

In the management of his extensive estate to which he succeeded at the age of eighteen he proved himself a model landholder. For several years he took a leading part in public affairs in this Presidency. He was a member of the

Legislative Council for many years; he represented the Madras Presidency at the Coronation of His Majesty King Edward the Seventh and was the first Indian non-official Member of the Executive Council of the Governor of Madras; last year he was appointed the first Pro-Chancellor of the Andhra University. He was at all times generous in contributing towards charitable institutions and works of public utility. By his high character, his honesty of purpose and his obvious sincerity he won universal respect.

(By order of His Excellency the Governor in Council)

A. Y. G. CAMPBELL,  
Chief Secretary.
